Letter No.M4.3659/39-40 dated 3rd May 1940 from the Deputy Commissioner, Kadur District, to the Revenue Commissioner in Mysore, B a n g a l o r e.

--:--

With reference to your D.O.Letter No.C.6127/39-40 dated 25th April 1940 forwarding the copy of demi official letter No. D.4876-77/1 & C.574-39-2 dated 23rd April 1940 received from the secretary to Government, Development Department regarding the restriction of the supply of Indian Rubber plants to the Iranian Government and calling for a detailed report regarding the various steps taken in the matter, I have the honour to state that I have asked the Amildar of Mudigere Taluk to direct the toll Mutsaddis at the Frontier toll at Kottigehar to make a careful watch on the kinds of goods carried on the lorries and also make inquiries regarding the carriage of rubber plants and seeds and if any such material is being carried the article should be taken and kept at the toll gate unless the driver or other person shows a proper license issued by the Indian Rubber Licensing Committee to cover the material. Further the Amildars of Chickmagalur, Mudigere, Koppa and the Amildar in charge of Narasimharajapura Sub Taluk have been requested to direct the Revenue Inspectors and Village Officers to watch over the removal of these plants by any persons and promptly report the same to this Office.

The District Superintendent of Police has also been requested to post an intelligent Daffedar for about a fortnight and make enquiries on the spot in the areas where rubber cultivation has been taken up and obtain information confidentially regarding any intended exports.

The District Forest Officer has also been requested to direct the Forest Rangers to keep confidential watch against smuggling of the goods referred to in the above.

I have separately called for from the Amildars a list of Rubber estates and other particulars and on receipt of which necessary further action will be taken in the matter.

In this connection I have to state that in addition to the taking of the above action it seems to me desirable to request the rubber estate owners to bind themselves by a mutchalika to the effect that they will not sell or export any rubber plants or seeds without giving due intimation to the authorities before hand. If you also agree with this suggestion I request that kind approval may be intimated to me early.

The favour of early orders is solicited.
